This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Southern Flyer Taxi, Inc. for cancellation of Class C Certificate of Public Convenience and Necessity No. 6336-A and on the Petition of the Office of Regulatory Staff (ORS) for a Rule to Show Cause against certain motor carriers. The record reveals that Class C Certificate No. 6336-A to render motor passenger service was granted to Southern Flyer Taxi, Inc. pursuant to Commission Order No. 1995-1593, dated October 16, 1995.

On August 26, 2008, ORS filed a petition seeking revocation of the Certificates of Public Convenience and Necessity of certain motor carriers for failure of the certificated

carriers to pay license fees as required by S.C. Code Ann. §58-23-560 (Supp. 2007). The record reflects that Southern Flyer Taxi, Inc. was listed in ORS' petition as a certificated carrier in non-compliance with the requirement of payment of license fees.

Subsequently, on September 9, 2008, Southern Flyer Taxi, Inc. filed a request with the Commission seeking cancellation of the Certificate in question.

Upon review of the matters asserted in the present requests, the Commission is of the opinion, and so finds, that the relief requested by Southern Flyer Taxi, Inc. should be granted and the petition of ORS should be dismissed as moot. If applicable, however, Southern Flyer Taxi, Inc. remains responsible for any assessments due.

IT IS THEREFORE ORDERED:

1. That Class C Certificate of Public Convenience and Necessity No. 6336-A to provide motor carrier services issued to Southern Flyer Taxi, Inc. is hereby cancelled.
2. That the Petition of the Office of Regulatory Staff for a Rule to Show Cause as to Why the Certificates of Public Convenience and Necessity for Certain Motor Carriers Should Not Be Revoked (Docket No. 2008-338-T), relative to the Class C Certificate No. 6336-A of Southern Flyer Taxi, Inc., is dismissed as moot.
3. If applicable, Southern Flyer Taxi, Inc. remains responsible for any assessments due.
